Care Outside of Plan Service Area

- Within US: Blue Cross Blue Shield Global Core

All covered services provided through a BlueCard[®] Program, for out-of-state emergency and non-emergency care, are provided at the Anthem Blue Cross Prudent Buyer level of benefits of the local Blue Plan allowable amount when you use an In-Network provider.
- Outside of US: Blue Cross Blue Shield Global Core

All covered services for emergency care will be eligible for reimbursement when received outside the US. Please refer to the Anthem Blue Cross Prudent Buyer level of benefits for covered services and corresponding member liability.

Your summary of benefits

Notes:

- All medical services subject to a coinsurance are also subject to the annual medical deductible.
- Annual Out-of-Pocket Maximums includes deductible, coinsurance and prescription drug.
- In network deductible and out of pocket maximum accumulate towards out of network deductible and out of pocket maximums. However, out of network deductible and out of pocket maximum do not accumulate towards In-network.
- Preventive Care Services includes physical exam, preventive screenings (including screenings for cancer, HPV, diabetes, cholesterol, blood pressure, hearing and vision, immunization, health education, intervention services, HIV testing) and additional preventive care for women provided for in the guidance supported by Health Resources and Service Administration.
- If your plan includes out of network benefit and you use an Out-of-Network provider, you are responsible for any difference between the covered expense and the actual Out-of-Network providers charge.
- Certain services are subject to the utilization review program. Before scheduling services, the member must make sure utilization review is obtained. If utilization review is not obtained, benefits may be reduced or not paid, according to the plan.
- If your plan includes out of network benefits, all services with calendar/plan year limits are combined both in and out of network.
- Transplants covered only when performed at Centers of Medical Excellence or Blue Distinction Centers.
- Bariatric Surgery covered only when performed at Blue Distinction Center for Specialty Care for Bariatric Surgery.
- Skilled Nursing Facility day limit does not apply to mental health and substance abuse.
- Freestanding Lab and Radiology Center is defined as services received in a non-hospital based facility.
- Coordination of Benefits: The benefits of this plan may be reduced if the member has any other group health or dental coverage so that the services received from all group coverage do not exceed 100% of the covered expense.
- The maximum allowed charges for non-emergency surgery and services performed in an Out-of-Network Ambulatory Surgical Center or outpatient unit of an Out-of-Network hospital is subject to a maximum payment of \$210. Members are responsible for the additional charges not covered by the maximum payment of \$210.
