

Prior Authorization

Clinical Edits for the Essential Drug List

Most prescriptions are filled right away when you take them to the pharmacy. But some drugs need to be reviewed by your health plan before they're covered. This process is called prior authorization. Prior authorization focuses on drugs that may have a risk of side effects, a risk of harmful effects when taken with other drugs, potential for incorrect use or abuse, better options that may cost you less and work better, and rules for use with certain health conditions. The drugs listed below need to be reviewed and approved by your health plan before they're covered.*

We update this drug list on a regular basis, but you can always find the most current information, such as details and updates when you log in at [anthem.com/ca](https://www.anthem.com/ca).

LEGEND

PA = Prior Authorization. Some drugs need to be reviewed and approved before they're covered by your plan. This process is called prior authorization. It looks at drugs that may have harmful side effects, the potential for incorrect use or abuse, options that work better and cost less, and/or guidelines for use with certain conditions.

QL = Quantity Limits. Taking too much medicine or using it too often is dangerous and costly. That's why this program may limit how much of your medicine you can get each month. For example, a drug may have a limit of 30 pills for 30 days.

ST = Step Therapy. Step therapy means you try medicines in a step-by-step process. The program may require you to start with one medicine before another can be approved.

DO = Dose Optimization. This program may change the dosage of your medicine to make it more effective. For example, you may have to start taking a higher dosage once a day rather than a lower one twice a day.

It's important we treat you fairly

That's why we follow federal civil rights laws in our health programs and activities. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people with disabilities, we offer free aids and services. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services? Call the Member Services number on your ID card for help (TTY/TDD: 711). If you think we failed to offer these services or discriminated based on race, color, national origin, age, disability, or sex, you can file a complaint, also known as a grievance. You can file a complaint with our Compliance Coordinator in writing to Compliance Coordinator, P.O. Box 27401, Mail Drop VA2002-N160, Richmond, VA 23279. Or you can file a complaint with the U.S. Department of Health and Human Services, Office for Civil Rights at 200 Independence Avenue, SW; Room 509F, HHH Building; Washington, D.C. 20201 or by calling 1-800-368-1019 (TDD: 1-800-537-7697) or online at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>. Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
